Boji Group is a diversified, family-owned and operated company with interests in real estate development and property management, distribution and wholesale services, convenience stores, retail and the hospitality industry.

We own, manage and operate buildings of over 2 million square feet in four states, including approximately 600,000 square feet of State of Michigan space in our real estate portfolio.

Boji Group properties include Capitol View, Hollister Building, Davenport University’s Lansing Campus, Boji Tower, and The Grand (Proposed).
Built Environment Showcase
Private/Public Partnerships

Steps to a Private/Public Partnership:
1. Creating a vision where everyone wins
2. Bidding Process
3. Master Development Agreement
4. Financing project
5. Construction – Start to Finish
6. Keep the End User Happy

Before
Abandoned Car Dealership

Proposed 32,000 S.F. Class A Office Building; 10,000 S.F. Shopping Center

Justice Center Police & Court
Department of Human Services Building
Starfish / YWCA Headquarters
Retail Center

A $25 million economic development where we took one project and made it into the catalyst for the revitalization of Michigan Avenue in the city of Inkster
